## GLOBAL YOUTH AMBASSADORS LEADERSHIP SUMMIT | JULY 22-29

A joint program of Chicago Sister Cities International (CSCI) and the University of Illinois at Chicago (UIC), the Global Youth Ambassadors Leadership Summit is a one-week, intensive program for teenage girls, ages 14–16, from Chicago and its 28 international sister cities.

Participants are empowered through programming on advocacy, activism and leadership. The Summit creates borderless bonds and empowers the girls to become collective and individual forces of positive change in the world.

Selected girls participate in the Summit at no cost. Your sponsorship helps cover travel expenses for international participants and their chaperones; supports engagement activities during the week, such as workshops, discussions and presentations; helps to support administrative costs; and aids in reducing logistical costs associated with housing, local transportation and meals.

All sponsors will be recognized on our website and printed materials. Please contact us to discuss opportunities to highlight your support of the Summit.
