FOR IMMEDIATE RELEASE JANUARY 14, 2010

"CRUEL AND INCOMPREHENSIBLE" DISASTER. EMERGENCY PLEA: FUNDS NEEDED IMMEDIATELY TO MAKE SHIPMENT TO HAITI'S EARTHQUAKE VICTIMS

**WE NEED YOUR HELP
emergency funds to
facilitate delivery
of shoes to the
people of Haiti,
devastated by
Tuesday's quake.
The 7.0-magnitude
quake, Haiti's worst
in two centuries,
striking the poorest
of people in the
western hemisphere.**

In our continuing effort to provide gently worn shoes to those in greatest need around the world we are asking for your help to provide relief to those suffering in Haiti. Conditions before the earthquake were bad; rock and mud roads, poor sanitation and little or no healthcare. Now, we can only imagine the horrible conditions faced by these survivors.

WE NEED YOUR HELP! We have a warehouse full of shoes that don't do anyone any good unless we get them where they are needed most. We need **volunteers** who want to make a difference to come in, roll up their sleeves and get shoes processed, packaged and ready to ship out of here. We are asking you to come in to sort shoes, pick up shoes to wash at the laundromat and to bring donations of quarters, detergent and bleach. Also, please make a monetary donation today, large or small. *Every dollar will help.*

To make a donation or for more information please go to our website www.shareyoursoles.org. Major credit cards and Paypal accepted.

We have already sent 40 cases of shoes (5,000 pairs) to Haiti on January 8th and we will continue to send shoes until every person in need gets a pair."

Sincerely,
Mona

SYS would like to thank FedEx for their continuing support. They continue to be amazing in their aid of emergency disaster relief.
